Do I need a degree to go through a program?

No, a degree is not required but it is preferred. Our curriculum is equipped with hands on training to give you experience to apply in real world environments.

Can I secure a job without work experience?

No, you cannot secure a job without work experience unless it is an entry level position. We are going to assign you a real-world project at the end of our program to give you the experience you need to secure your dream job. Please check out our course outline for detailed information.

Can I secure a job without a degree?

Yes, most employers prefer an experienced candidate who can hit the ground running. You will work on multiple projects that will help you build your work portfolio.

Does DMK have an installment payment plan?
Yes, we do have payment plans that work best with you.

Can DMK teach a course at my place of business?
Yes. We are happy to offer Group Training, where our world-class instructors come to you to deliver training at your place of business. Group training allows organizations to train an entire team with one unified learning experience, ensuring that everyone obtains the same knowledge and skills.

What jobs can I find after graduation?
After our programs, you can easily secure a Data Analyst or Business Analyst position and all other very similar skills such as Data Scientist, Data Engineer, System Analyst, Analytics Manager, Business Intelligence Developer, Database Developer, Research Analyst, Financial Analyst, Business Intelligence Engineer, Project Manager, Scrum Master, Business Intelligence Analyst, Data Manager, Product Analyst, Analytics Specialist, Data Cloud Engineer, Operation Analyst, Power BI Developer, Analytics Consultant, ETL developer, SQL Report Writer, Data Warehouse Developer etc. The opportunities are endless.

What companies hire your graduates?
Our graduate work at top companies such as Wells Fargo, Microsoft, Apple, Bank of America, JP Morgan Chace, United Health Group, Google, Facebook, Verizon and many others.

Is Data Analytics/ Business Analysis high paying?
Yes, data and Business analysts are typically paid well.

How much does the program cost?
The cost of our programs are listed on the Student Portal on our website. Click student portal to continue to the login page. Sign up for FREE to create your username and password.

How long is the program?
The program is 14+ weeks. This includes technical training with hands-on activities that focus on professional skills development.

How do I enroll in a class?
You can enroll in the training directly from the Student Portal on our website. Click student portal to continue to the login page. Sign up to create your username and password. Once you are logged in, go to the Course page and browse for the available course/class. Once you have found the class you are interested in, select "Enroll." You

will be taken to the Enrollment page to review your selections. When you are ready, click "Pay" to continue to the payment page and submit your purchase.

What is the purpose of the Study Hall?

The purpose of Study Hall is to give a student a chance either to discuss with their colleagues, gain presentation skills, discuss projects or assignments and seek instructor assistance in subjects not understood during the lecture.

Can I request a course that is not on your schedule or is not available when I need it?

Yes. If you need a course that is not currently on our schedule or available at the right time, we will work with you to find the right solution.

What types of payment are accepted?

We accept Debit Cards, Major Credit Cards, Invoice/Purchase Orders or Zelle.

When is my class enrollment confirmed?

After submitting your purchase online, you will receive an email confirming your order submission; this is not your enrollment confirmation. Once we review your order and confirm course availability, you will receive a second email with a transaction code confirming your enrollment. Please allow up to 48 hours for confirmation.

Can I get a discount?

We always have discounts, call our office to request for ongoing discount.

Different kinds of discounts: -

    a. Early bird discount
    b. Group training discount
    c. One-time payment discount
    d. The Shujaa Grant provides discounts for first responders, veterans and retirees of the US military.

How do I change an online purchase?

If you need to change an online purchase, call the center directly to speak to a DMK representative. We are happy to make any changes or cancellations in accordance with our Cancellation and Refund Policy.

What is your privacy policy?

You can read our entire Privacy Policy here.
